

TRAFFIC COUNT DATA

Traffic Counts provided here are collected by the City of St. Charles Public Works Engineering Department, represent raw data collected with hose or magnetic counters, and reflects traffic flow during a single 24-hour period. These numbers are not adjusted for time of season and week, and may differ from State of Illinois Department of Transportation data. For more information, contact Gary Long of the Public Works Engineering Division at 630-377-4486, or e-mail glong@stcharlesil.gov. Additional information may be available from Tom Rickert, Kane County Department of Transportation at 630-584-1170, or e-mail rickerttom@co.kane.il.us.
